Momentum

the Pivotech semi-frameless slider

Engineered for life

Don't let Momentum's good looks fool you, it's strong and practical. Designed for the rigours of daily use, Momentum's features allow for effortless cleaning and its hardware is engineered for durability.

- the bottom guides can be disengaged to clean between the door and fixed elements
- rollers under the sill minimise friction, providing smooth operation of the door
- extremely resistant to water escaping as the door sits below the sill
- specially designed stop blocks prevent the door from opening or closing while in use
- soft moulded stops prevent the door from slamming open or shut

Designed for style

- ideal for large openings between walls
- the slimline, semi-frameless design conceals the mechanism and components
- available in Bright Silver, Matt Natural and Pearl White to blend in with modern bathroom design
- wide choice of handle style options
- accessories are chrome plated and blend in with modern bathroom décor and provide a subtle contrast to the White and Matt Natural
- easiest sliding shower to install
- corner entry options available for smaller shower enclosures in confined areas
- return panel can be frameless or framed to suit the application
- slimline frame for mounting over a bath or hob
- roller carriages allow for 10mm adjustment to take up over/undersized glass
- versatile two part corner stake allows for mitre cutting or square cutting

Access a cleaner shower

At Pivotech, we understand the biggest challenge of a bathroom is keeping it clean. Our shower screens incorporate features to help.

Momentum's unique spring loaded carriages under the sill allow the door to be tilted for greater access and easier cleaning.
